METAL FINISHES
CARE AND MAINTENANCE

ALL OF OUR METAL FINISHES ARE FABRICATED IN SMALL QUANTITIES TO ORDER.
SOME OF THESE FINISHES REQUIRE HAND APPLICATIONS BY OUR ARTISANS.
IN ORDER TO MAINTAIN THESE FINISHES, WE RECOMMEND FOLLOWING THE INSTRUCTIONS BELOW.

1. DO NOT USE ANY ABRASIVE CLEANERS OR CLEANERS CONTAINING ALCOHOL OR ACETONE.
2. DO NOT USE ANY SPONGES ESPECIALLY 'MAGIC ERASER' TYPE SPONGES.
3. TO REMOVE ANY FINGERPRINTS OR DUST WE SUGGEST USING A MICROFIBER TYPE CLOTH.
4. IF FINGERPRINTS DO PERSIST YOU MAY SLIGHTLY DAMPEN THE CLOTH WITH A MIST OF WATER.

THANK YOU FOR YOUR PURCHASE
